Saniflo MARINE RANGE

Pumped Electric, Macerator Toilet

To adapt to the ever-more luxurious needs of the pleasure boat market, **SANIMARIN** has developed the 'BEST' Marine Toilet. Aside from the large domestic size bowl, removable soft close seat and lid and contemporary modern design, this toilet also offers a new, more powerful flushing system. Available in 12v or 24v this **BEST** toilet offers a full SFA keypad with 2 flushing cycles, as well as an "empty" function to empty the tank in choppy seas. The **BEST** toilet is now **SANIMARIN**'s top of the range toilet, satisfying both legitimate needs for modernity thanks to a modern design and the permanent quest for comfort on board.

- Minimal Routine Maintenance
- Easy to Clean
