

Grey IC Waste Pump

One pump automatically handles waste from your shower on board

- no manual switches required
- One pump automatically handles waste from your shower on board
- no manual switches required
- Ideal for installation where you don't have space for a grey waste tank
- Easy installation - pre wired plug and play kit
- Reliability - No moving parts to clog

Gulper IC - Automatic control

- One pump handles waste from multiple drains
- Fast drainage - high capacity up to 19 ltrs /min
- Long life - Self primes and can run dry
- Soft start - protects the pump
- Easy to install - including uneven surfaces
- Optimal drainage - Built in time delay
- Low current controlled switching - no switch failure from high currents

Two Way Manifold IC

- Fully automatic handles waste from multiple drains as required.
- Senses waste level through wall - not in contact with water
- Removes the need to install a bulky grey waste tank
- Service free - No moving parts to clog or burn
